

Memory Care at Okalee

Memory Care at Okalee is an entrance-controlled, welcoming living environment for people with all forms of memory loss.

Our dedicated staff encourage skills for residents' independence, provide meaningful opportunities for creativity and rejoice in success.

Amenities and Services:

- A single-level, barrier-free and simple interior design with home-like furnishings that creates a calming atmosphere
- Choice of a suite or one-bedroom private apartment to furnish as you wish
- Private bath with zero entry shower and grab bars
- Therapeutic spa tub available
- Three nutritious meals served daily in the Terrace Dining Room
- Community kitchen where residents can participate in regular activities as they would at home
- Fireside Living Room where residents can gather like family
- Memory Garden, an entrance-controlled outdoor courtyard with walking paths and seating areas
- All property tax and utilities (except phone) including satellite television and wireless internet
- Weekly light housekeeping and linen change
- Personal laundry and linens, three loads weekly

Ability-centered program

- Our proprietary program is developed by an occupational therapist and focuses on individual's abilities and personality
- Staff receive comprehensive memory care training and ongoing education annually
- Meaningful activities are offered all day and into the evening and encourage residents to retain life skills longer and experience success
